

# Rotary Foundation Alumni Association of Greater New England

Newsletter #1, April 2013

## Greetings Alumni and Supporting Rotarians!

Our initial contact with you was via an e-mail invitation asking you to tell us whether you are interested in becoming a member of the first Rotary Foundation e-Alumni Association

- The association will have regular meetings via the Internet, so that you can attend a meeting from anywhere in the world, at a time that suits you; similar to Rotary e-Clubs.
- It will also naturally become a network of Alumni and Supporting Rotarians, who may choose to participate in humanitarian projects of be supportive of Rotary projects.

The goal is to celebrate the formal Charter Night of the association at the NORTHEAST LINK scholar orientation Alumni Reunion Dinner, Saturday, September 28<sup>th</sup>, 2013, at the Holiday Inn in Boxborough, Massachusetts, USA. In advance of that we strive to be chartered by the Rotary Foundation. So please join us if you can. Spread the word among your alumni firends.

In order to produce this newsletter, which we hope you enjoy, and engage in initial planning and implementation activities we have put together a core team that stands ready to help as we move forward. Of course, our expectation is that Alumni will put together a set of officers to further develop and refine all program content. It's your program.

Here is our team:

Ambassadorial Scholar **Christopher Uschnig** is ready to help develop the program further and would welcome your questions and ideas.

Past District Governor **Klaus Hachfeld** is an old Northeast Link hand who is sharing Rotary experiences and capabilities.  
Contact Klaus at [klausdh@charter.net](mailto:klausdh@charter.net)

Past President **Ron Goodenow** is acting as newsletter editor and welcomes ideas for content.  
[ron.goodenow@gmail.com](mailto:ron.goodenow@gmail.com)

Currently, nearly 100 alumni have asked to become members, so we are working on the charter application, association bylaws & constitution, as well as how we view the association website. However, we also need to select the President, President-Elect, Secretary, and Board of Directors, so please contact Christopher (with copy to Klaus) if you are interested in these positions.

A big part of our task is to help us refine the bylaws and constitution to reflect what you, the Alumni, wish it to become. So input from any alumni is welcome.
